

# JOB SPECIFICATION

## Position Details

<b>Job Title</b>	Water Utility Team Leader
<b>Location</b>	Alness / Inverness, will be your base, with works are across the Highlands.
<b>Working Hours</b>	Full Time
<b>Duration</b>	Permanent
<b>Holidays</b>	30 days
<b>Remuneration</b>	Dependant on experience
<b>Vehicle</b>	Company Van
<b>Probationary Period</b>	3 months from commencement.

## Principal Job Responsibilities

Reporting to the Utilities Manager - your duties include:

- Leading a Utility Team (between 2 and 8 operatives) whilst undertaking Water Infrastructure projects, with all works being carried out to current Scottish Water standards.
- Carry out team briefings, to ensure all squad members understand all relevant risk and method statements.
- Undertake Water Network shutdowns, live main tie-ins and possible emergency response which may include stand-by cover out with normal working hours. Stand-by cover results in additional remuneration and inflated rates of pay.
- Capable of operating items of plant, e.g excavators, dumpers, rollers and various forms of handheld plant.
- Carrying out pre-use checks on any plant used and record appropriately.
- Complete daily site diaries with good detail to assist office staff members understanding of progress projects.

The above list is not exhaustive

## Applicant Qualities

The successful applicant will ideally have: -

### Experience

- Water industry related knowledge and experience
- Team Leader Experience

### Personal Attributes

- A flexible and accommodating work approach
- Be trustworthy, reliable and approachable for all team members
- Willing to continue with any required training the company provides

### Certification

- A full, current driving license
- Scottish Water DOMS modules 1 – 13 inclusive

The successful candidate would also ideally hold the following certification or be willing to be trained in the following: -

Lloyds WIRS Programme, SHEA, HCOP, NRSWA (Streetworks), CPCS skills card for Excavator tracked below 10T and Forward Tipping Dumper below 10T, SSSTS & First Aid
